6	CA07202	PKR Down Sensor BKT to replace Foam Tape	SA1134, TM766, NM358	512-00288A

3. MARKING 100 LABEL

When marking the 100 label, use a permanent, non water based marker and fill in triangle provided (see below). Mark only number (s) associated with the ECO (s) applied.

4. NOTE:

Various optional modules may have 100 Labels with associated cross reference document numbers.
