Learning Path

Welcome

Congratulations on your purchase of Prinergy® Evo software! Your system will be shipped to you soon. We encourage each member of your team to review this learning package before your system is installed

This package consists of several tools, each designed for self-directed learning. These tools are also effective if you plan to coach someone else to learn Prinergy Evo. All of these tools are available on DVD and via https://ecentral.creo.com.

Prepare Your System

Prepare to use this learning package by completing the following steps:

1. Install Macromedia Flash™ Player 7.0 or higher.
2. Install Shockwave® Player.

Note: Note both of these players are free and can be downloaded from Macromedia at http://www.macromedia.com/downloads.

3. Install Acrobat Reader.
4. Install a supported web browser. Internet Explorer 6.0 or higher is recommended.
5. Set your monitor display to 1024 x 768 pixels.

Select Learning Tools

We recommend you apply the learning package tools in the following order:

1. **This *Prinergy Evo Learning Path* document**

   Consult this tool before your system is installed to plan your learning activities. Your Prinergy Evo learning path will vary according to the type of role you fulfill in your job, and the Prinergy Evo configuration that your company purchased.

2. ***Prinergy Evo Web-based Training*** **(available on the Learning Prinergy Evo DVD)**

   The web-based training provides an interactive introduction to Prinergy Evo. This training introduces you to the Prinergy Evo workflow and the user interface, and will demonstrate the key workflow steps and concepts. Complete this training before your system is installed.

3. ***Prinergy Evo Learning Guide***

   This self-study guide covers fundamental information about what Prinergy Evo is, and what it does. This guide is similar to the web-based training but is

suitable for those who prefer to learn from a paper document. This guide can be used by anyone who wants to become familiar with conceptual information about Prinergy Evo. Review this guide before your system is installed.

4. ***Prinergy Evo Task-Oriented Activities Guide (Activities 1-11)***
5. ***Prinergy Evo Task-Oriented Activities Guide II (Activities 12-29)***

   Prinergy Evo Task-Oriented Activities Guides provide hands-on practice with Prinergy Evo. Various activities demonstrate the functions available in Prinergy Evo. Each activity uses sample files (included on DVD). Complete these activities when the system is installed.

Identify Your Job Role

There are various job roles that may apply Prinergy Evo in your company. Identify your job role:
